Subject: Outcome of Your Nomination for EFPA Project 2: National examples of improving public accessibility to mental health services in primary care

Dear Renato Gomes Carvalho,

Thank you for submitting your nomination for EFPA Project 2 included in the EFPA Activity Agenda 2025–2027.

Following the close of the call, the EFPA Board of Directors (BoD) has reviewed all nominations.

In line with the criteria communicated in the call, the BoD applied the following considerations:

- the criteria and eligibility requirements stated in the nomination forms;
- balanced participation across countries;
- gender balance;
- diversity of professional and disciplinary backgrounds appropriate for the project

This selection process is carried out under Article 41 of the [EFPA Statutes](#).

Accepted Nomination

The following nominee from your association has been selected for participation in the AHWG:

- **Alexandra Antunes**

Within the next days, **the Project Coordinator**, together with **the EFPA Head Office**, will contact each selected expert via the email address you provided in order to schedule an initial online meeting. The first meeting will include:

- Presentation of the full project fiche,
- information on scope, deliverables, and expected timelines,
- introduction to the Volunteer Code, and
- information on EFPA Teams as internal communication tool for the AHWG.

You may already inform her about the next steps described above.

We sincerely appreciate the constant efforts and support of the Full Members, as well as the interest, engagement and commitment of the volunteers, in contributing to EFPA's work.

Kind regards,

Isane Aparicio Busto
EFPA Executive Director
